

Casey Plant Services Ltd - Terms and Conditions (Hire)

casey

PRO-ENVIRONMENT

1. In These Conditions

These Terms and Conditions are the only Terms and Conditions under which CASEY PLANT SERVICES LTD hire out plant and conduct all other trading and these shall apply under all circumstances to all Hirers/customers including both account and non account holding customers with the exception of contract lifting operations where separate Terms & Conditions must be agreed prior to commencement.

2. Definitions relevant to these Terms and Conditions

- a. "CPS" or "CASEY GROUP" shall mean CASEY PLANT SERVICES LTD and/or Subsidiary and/ Associate companies.
- b. The "Hirer" is a firm person, corporation, company or public authority including their representatives or successors who hire plant from or carry out business with CPS
- c. "Plant" covers all types of equipment, vehicles, accessories, machinery and plant which CPS agrees to hire out to the Hirer.
- d. A "day" is unless otherwise stated in the Contract 8 (eight) consecutive hours in any working day.
- e. A "week" is classed as seven consecutive days.
- f. A "working week" is from the time started on Monday through to the finishing time on Friday.
- g. "Sale" is the sale of accessories, spare parts and consumables. The sale of either new or used equipment is subject to CPS separate Terms and Conditions of Sale, copies of which are available on request and displayed on our website.
- h. The headings in this document are for conversions only and shall not affect their interpretation.
- i. These Terms and Conditions shall be hereafter referred to as "CPS TERMS AND CONDITIONS"

3. Contract Extent

No conditions other than these shall be considered to form or to be incorporated into any Contract for hire or sale. CPS TERMS AND CONDITIONS will at times be deemed to prevail over any condition(s) that the Hirer seeks to impose by whatever method unless otherwise agreed in writing by a Director of CPS. Where these Terms and Conditions conflict with any others these Terms and Conditions shall prevail under all circumstances.

4. Placement of an order/acceptance of Plant on Site

When the Hirer orders or the site accepts a piece of plant unless otherwise agreed in writing by a Director of CPS the Hirer is deemed to accept the plant on hire subject to CPS TERMS AND CONDITIONS.

5. Responsibility for Personnel

Any personnel that CPS supplies to the Hirer are deemed to be under the control of the Hirer and should comply with all of his instructions. The Hirer is responsible for their compliance with all statutory rules and regulations with regard to any personnel supplied on the site as he is with his employees.

6. Loading and Unloading

CPS shall not be responsible for any damage to any plant, equipment, surface or property whatsoever during the loading or unloading of the plant upon delivery or collection whether by CPS employees, the Hirer or any other third party.

7. Condition on delivery and maintenance inspection reports

- a. All plant will be deemed to be in good order at the point of on-hire save for any fault not noticeable by reasonable examination or marked on the on-hire advice note unless the Hirer notifies CPS to the contrary by telephone on the day of on-hire and confirms in writing within three working days. The Hirer is responsible for the safekeeping, use in accordance with the manufacturer's recommendations and the safe return on the completion of the hire of any item of plant or accessory hired.
- b. The Hirer when hiring self drive must take all reasonable precautions to ensure they are aware of the continuing condition of the plant and the Hirer will be totally responsible for the safe use of the plant and the and the reporting of and payment for rectification of all damage (except for fair wear and tear) to the plant whilst the plant is on site.
- c. F91 Part 1 Section C inspection reports if necessary will be supplied to the Hirer upon request to CPS. These must be returned at the end of the hire or a charge will be made to the Hirer.
- d. When plant is delivered to site or collected from site and for whatever reason CPS driver is unable to obtain a signature on the delivery/collection ticket the following shall apply:
 - i. On delivery a copy of the unsigned delivery ticket will be left with the plant.
 - ii. On collection a copy of the collection ticket signed by the CPS driver will be posted to the address last advised by the Hirer as their invoice address.
 - iii. Any claim for damages/shortages on deliveries (excepting those noted on the delivery ticket) must be advised to the CPS. depot of hire by phone or fax within 24 hours of delivery AND confirmed in writing by the Hirer within three days in the case of phone notification.
 - iv. Completion of (i) above will be deemed as acceptance of the plant on site by the Hirer at the time of delivery.
- e. Although every possible precaution has been taken to ensure that the equipment is in good serviceable condition no liability whatsoever can be accepted by CPS for the consequences of any failure or inaccuracies of the equipment. The Hirer is expected to satisfy themselves that the equipment is functional before attempting to use it on site.

8. Inspections and Servicing

The Hirer shall allow access to CPS, their agents and their insurer's at all reasonable times to inspect, repair, test or adjust the plant. Such work will be carried out at times convenient to Hirer wherever practical.

9. Unsuitable Ground and Operating Conditions

- a. The Hirer will be totally responsible for the ground condition upon which the equipment is work and must provide excavator mats or equivalent wherever unsuitable ground conditions could threaten the security of the plant. The Hirer will be responsible for any costs of recovery of plant from unsuitable ground.

- b. Where the Hirer seeks to use CPS plant in arduous conditions which include but are not limited to sea water, chemicals, fertiliser, abrasive products, contaminated waste and radioactive materials the Hirer must:
 - i. Advise CPS at the time of hire or in advance by fax.
 - ii. Indemnify CPS against any loss or damage in connection with the conditions or occasioned by the materials that the plant is in contact with either noticed at the time of hire or subsequently if affecting electric, hydraulics or unexpected components.
 - iii. Clean the plant thoroughly before collection from site.
 - iv. If hiring operated plant the Hirer must provide CPS in advance with a full risk assessment and provide the operator with all necessary protective equipment and information required to guarantee their safety.

10. Operators for Plant and appointed persons

- a. For plant hired together with an operator, CPS will supply a person competent to operate the plant. The operator will be deemed to be under the control of the Hirer for all purposes and the Hirer shall be responsible for all claims arising from the operation of the plant as if the operator was an employee of the Hirer.
- b. The Hirer will not permit any other person to operate, attempt to operate or move any item of plant hired with an operator without the previous written consent of CPS.
- c. The operator supplied by CPS shall hold any appropriate mandatory licence for the driving of the plant in question as laid down by statute. Any decision on the competence or otherwise of the operator shall be made by a Director of CPS and shall be final.
- d. For plant hired without a CPS operator the Hirer shall ensure that the plant is only operated by a competent operator.
- e. In the case of crane hire/lifting operations the Hirer is responsible for nominating an “appointed person” to take responsibility for and overall control of all lifting operations. For contract lifting CPS will nominate the “appointed person”.
- f. The Hirer nor any connected body shall not without prior written consent of CPS at any time during the period of the hire within 6 months after the date of termination of the hire solicit or endeavour to entice away from or discourage from being employed by CPS or other employment or subcontract work to any person who is or shall at any time during the hire be one of CPS employees or agents engaged in providing the hire or other services. A charge of £1200 will be levied against any customer in full and final settlement in the case of a breach of this condition.

11. Repairs and Breakdowns

- a. Any breakdown or loss of performance of the whole or any part of the plant must be notified to CPS immediately. Any claim for breakdown time allowance will only be considered from the time of this report.

- b. Full allowance will be made to the Hirer for breakdowns caused by inherent faults or a fault (but not damage howsoever caused) not noticeable by reasonable examination or arising from fair wear and tear subject to clause 7 above.
- c. The Hirer shall not, except for punctures, repair or cause to be repaired any item of plant without the written authority of CPS.
- d. Puncture repairs will remain the responsibility of the Hirer:
 - i. On all plant hired without an operator from the day of delivery (or collection from a CPS depot).
 - ii. On all plant hired with a CPS operator from the time of entry onto the site or area of work until the exit from the same. Punctures may be repaired by the Hirer or his agent at his expense provided such repairs are of the recommended specification and cause no damage to the plant or tyre.
 - iii. On all plant hired with a CPS operator from the time of entry onto the site or area of work until the exit from the same. Punctures may be repaired by the Hirer or his agent at his expense provided such repairs are of the recommended specification and cause no damage to the plant or tyre.
- e. The Hirer is responsible for all costs and losses incurred by CPS resulting from any breakdown and/or damage arising from the misuse or misdirection of the plant or the negligence of the Hirer, their agents, servants or any other party. The Hirer shall also be responsible for payment to CPS for the relevant standing / hire rate during the period of such repairs or replacement. CPS will be responsible for the cost of repairs and spares due to breakdown for reasons detailed in clause 11/b above.
- f. In the case of any repair to plant or equipment owned by the Hirer, carried out by CPS, CPS reserve the right to exercise a lien over the item, until the bill is paid in full, including any storage costs / charges.

12. Other Stoppages

CPS will not accept claims nor can CPS give any allowance in hire time for stoppages through causes outside their control such as bad ground conditions, bad weather, the failure of another item of plant (whether owned by CPS or not), punctures or tyre repairs and the lack of an operator (when not supplied by CPS).

13. Loss of use of other plant

Each item of plant hired by CPS to the Hirer is hired as a separate unit and stoppage or breakdown of one unit or vehicle (whether the property of CPS or not) through whatsoever cause shall not entitle the Hirer to allowance or compensation for the loss of working time of any other hired item under any circumstances.

14. Consequential Loss

CPS accept no responsibility or liability for any consequential loss or damage arising or due to the failure or unsuitability of our defects in the plant or for any other cause whatsoever.

15. Loss and Damage

- a. To avoid doubt this clause does not affect the operation of clauses 7, 9 and 11.

- b. Throughout the hire period and until the plant is safely returned to CPS depot of hire, the Hirer shall make good to CPS all damages to or loss of the plant howsoever that damage may be caused except fair wear and tear. The Hirer except as provided in clause 11 above shall fully indemnify CPS in respect of all claims by any person for injury to persons or damage to property caused by or in connection with or arising out of the use of the plant and indemnity CPS against any charges or costs under statute or common law.
- c. CPS will only accept responsibility for loss damage or injury due to or arising during:
 - i. Prior to delivery of any plant to the Hirer's site where the plant is in transit or transport owned by or under the control of CPS.
 - ii. After the plant has been collected and removed from the site and is in transit on transport owned by or under the control of CPS.
 - iii. Where plant is travelling under its own power to and from site under the control of a drive supplied by CPS.
- d. The Hirer must insure at full value all items of plant hired from CPS from the moment the plant is delivered / collected at the start of the hire until such time as the plant is safely collected or returned to the CPS designated depot. Off-hiring the plant shall not determine the responsibility for the safekeeping of the plant and the Hirer must keep the plant safe on site for up to five working days after off-hire. Plant will normally be collected within 24 hours of off-hire date and the Hirer must telephone the CPS depot of supply if collection has not been made within 24 hours.
- e. In the event of full or partial loss or theft of the plant and payment of any compensation by the Hirer (or their insurers) to CPS the title to the machine will remain with CPS under all circumstances.
- f. In the event of full or partial loss or theft of the plant or in the event of damage to the plant and until full compensation has been paid the Hirer shall pay to CPS the sum of 2/3rds of the current CPS self drive hire rate of the item of plant from the time that the loss/theft/damage is reported to CPS until such time as a settlement has been made in full. Until such report of loss/theft/damage the hire charge will continue at the contracted rate.
- g. In the event of full or partial loss or theft or damage of the plant payment is to be made by the Hirer (or their Insurance Company) as follows:- Plant up to 2 years old the incident date at replacement as new price, plant over 2 years old at the incident date at replacement value.
- h. To assist negotiation and to speed any settlement the Hirer shall at all times allow CPS to liaise direct with the Hirer's Insurance Company and/or Agents. In addition the Hirer will instruct their Insurers to settle any claim by payment direct to CPS and acceptance of these conditions shall deem this permission to have been given. This does not affect the Hirer's liability in the event of any damage. If any payment of Insurance monies is made to the Hirer either direct from their Insurers or via their Brokers such monies must be held in trust for CASEY PLANT SERVICES LTD and the Directors/Shareholders/Partners/Proprietor will remain personally responsible for ensuring that such monies are paid in full to CPS.
- i. CPS accept no responsibility for any damage to roadways, pathways, manholes or covers, cables, pipes or other services (whether above on or below ground) which may be occasioned due to the travelling positioning or working at any time of plant except in the case of damage to items excluding underground services where caused due to the negligence of an CPS operator proven to the satisfaction of CPS.

- j. Where practicable upon collection of plant from site the CPS driver and the sales representative of the Hirer shall examine the plant and record details of any damage/deficiencies so recorded. Upon return of the plant to CPS home depot the plant shall be subject to a thorough examination and any further damages/deficiencies will be notified by telephone or fax to the Hirer with the option to view the plant prior to invoicing such damages/deficiencies to the Hirer.
- k. In the case of lifting appliances, electronic data from A.S.L.I may be used as conclusive evidence of shock-loading or misuse.
- l. The Hirer will be offered the opportunity to view any plant for which damage charges are to be made within 4 days of notification of these damages. Failure by the Hirer to inspect the plant within this 4 day period shall signify the Hirer's acceptance that the Hirer is responsible for and will settle CPS invoice for damages.
- m. In no circumstances shall CPS liability to the Hirer for any breach or provision (whether expressed or implied) of this contract exceed the total amount paid by the Hirer to CPS under the individual hire.

16. Notification of Accidents

- a. It is the duty of the Hirer to notify CPS immediately by telephone if the plant is involved in an accident resulting in damage to property or injury to any person and confirm this in writing giving full details within 24 hours. In respect of any claim not within the liability of the Hirer, the Hirer shall make no promise or offer of payment or admission without CPS written permission.
- b. In addition the Hirer is responsible for reporting to the Health & Safety Executive any incident which comes within the scope of The Reporting of Injuries Diseases and Dangerous Occurrences Regulations 1985 whilst the machine is under their control.

17. Re-hiring/Selling to third parties

- a. All plant, equipment or any part thereof shall not be re-hired, sub-let or lent to any third party without the written permission of CPS and at all times the ownership shall remain with CPS.
- b. At all times and in all cases items on hire will always remain the property of CPS. Goods supplied on sale will remain the property of CPS until full payment has been made by cleared funds and CPS reserves the right to reclaim goods not paid for in full.

18. Moving from site of contract

The Hirer must not remove plant to any other site location without prior notification to the CPS depot of supply. Plant must not be moved outside the United Kingdom without advance permission in writing from a Director of CPS.

19. Plant Repairs During Hire

If CPS decides that urgent repairs (not caused by damage or misuse) are necessary to the plant during the hire period they may arrange for repairs to be carried out upon site or at any other site they choose. In such event requiring removal of plant from site CPS will provide replacement plant if available and all transport charges will be paid by CPS. If CPS are unable to supply replacement plant within 24 hours the Hirer shall be entitled to determine the contract immediately by giving written notice to CPS, if the contract is determined in this way CPS shall be liable for any collection charge.

20. Calculation of Hire Charges

- a. Plant will be hired out on the following bases only:
 - i. Operated plant hired with a CPS operator is hired out per hours with a minimum 8 hours chargeable in any working day (regardless of the number of hours worked if any). Overtime at the rates detailed in CPS price list current at the time of hire shall be chargeable in addition for every hour worked over 8 hours in one shift Monday to Friday and for the first 4 hours on Saturday at time and a half. All other hours worked at weekends on bank/public holidays during night work and over 12 hours in any one shift shall be charged at double time unless otherwise agreed in advance and confirmed by CPS in writing.
 - ii. Self drive plant is hired out on a “per day” or “per week” basis. A “day” is a period of up to 10 hours operating between midnight and midnight 24 hours later and is charged at 30% of operating between midnight and midnight 168 hours later. All self drive hires exceeding one week shall be charged at the weekly pro-rate throughout the term of hire based on a five day working week Monday to Friday unless the plant is being used on Saturdays/Sundays/Bank Holidays in which case these are chargeable days @ 1/5 of the weekly rate each. Hires of less than one week in duration will be charged at 30% of the weekly rate for each day except that in any week no more than the weekly hire rate for each day will be charged on any one hire.
- b. Where plant is supplied with a CPS operator the Hirer or their authorised representative shall sign the operator’s timesheet daily or weekly. The Hirer or their representative’s signature on the timesheet shall bind the Hirer to accept the hours shown thereon and these hours signed for will form the basis of the charging and in the event of any dispute cannot be amended except by mutual agreement.
- c. Full allowance shall be given for periods of breakdown resulting from any electrical or mechanical fault provided that the Hirer informs CPS at the time of the breakdown except where the breakdown is due the Hirer’s negligence misuse or misdirection. Every break down call is recorded by CPS and allowances will only be made from the time the breakdown is reported until the plant is repaired unless there was no time lost due to the fault.
- d. Breakdown time allowed in any weekday Monday to Friday or operated hires only on weekends as we shall not exceed 8 hours less the time actually worked. No allowance will be made on self drive plant for breakdowns outside of the normal working week Monday to Friday 8.00 am to 5.00 pm.
- e. Stoppages due to changing tyres and puncture repairs shall be chargeable as working time up to a maximum of 2 hours for any one stoppage provided that CPS is asked to effect the repair by the Hirer. If the Hirer repairs or arranges the repair by any one other than CPS all stoppages due to punctures and their repair will be chargeable as working time. Any time for stoppage due to puncture repairs in excess of 2 hours per puncture and where CPS have been asked to effect the repair will not be charged during normal working hours.
- f. Any site bonuses to be paid to CPS operators must be authorised on timesheets by the Hirer’s representative and will be charged to the Hirer’s account plus an additional 20% to cover additional cost of N.I. etc payable by CPS directly as the result of the payment of this bonus. The signature of the Hirer’s representative on the timesheet shall bind the Hirer to pay such bonuses entered thereupon and the 20% addition.
- g. The maximum machine clock hours to be worked in the case of self drive plant are 10 hours per day or 50 hours per working week. In the event of hours being worked in excess of these excess hours will be charged pro-rata.
- h. A £50.00 credit card charge will be payable on each invoice by the Hirer if payment is not made within CPS payment terms which are strictly nett 30 days.

- i. The “Minimum Hire Period” is:
 - ii. On a self drive hire one day (in most cases), one week (for some specified items)
 - iii. On a hire with CPS operator – 8 hours per day regardless of any circumstances if less hours are worked excepting breakdowns. Machine travelling time (if any) for the plant is counted as working time and charged at the same rate.
- i. Where plant is returned to the appropriate CPS depot or collected from site in a condition that requires more than a basic power clean CPS reserves the right to clean the plant and charge the Hirer at cost. Customers are required to dig out tracks sufficiently to enable the plant and charge the Hirer at cost. Customers are required to dig out tracks sufficiently to enable the plant to be safely transported in accordance with Road Traffic Law. The appropriate CPS depot manager will be the sole judge of condition of cleanliness of the plant.
- j. Time is not of the essence with regard to delivery times/collection times. Whilst CPS endeavour to ensure that requested times are met, they can not be responsible for any costs/losses due to late/early delivery or collection.

21. Daily & Weekly Rate Charges

Notwithstanding the maximum working hours set down in clause 20(g) relating to self drive plant, the daily rate shall be the minimum charge regardless of hours worked. No hire charges shall be made for Saturdays and Sundays if the plant is not working.

22. Commencement and Termination of Hire

- a. If the plant is collected the hire shall commence from the time that the plant leaves the CPS depot or is signed for (whichever is the earlier) and shall continue until the plant is received back at the CPS depot and a returns note given to the Hirer excepting in the case of damage where standing charges will apply after collection/return.
- b. If delivered by CPS the hire shall commence from the time of arrival on site and shall continue until the plant is collected from site (or returned to the CPS depot of origin) excepting in the case of damage where standing charges will apply after collection/return. Operated hire where the plant travels to site under its own power shall be on hire from the time the plant leaves CPS depot until its return.
- c. CPS may immediately terminate any hire having given prior notice where the Hirer has exceeded his credit limit or where payment is overdue.
- d. The Hirer hereby confers the irrevocable right upon CPS to enter sites and remove plant hired to them by CPS without any notice:
 - i. If the Hirer voluntarily or otherwise goes into liquidation or receivership.
 - ii. If a bankruptcy order is issued against any Director/Partner/Proprietor of the Hirer.
 - iii. If any account is not paid within 60 days of invoice date.
 - iv. If the Hirers credit limit with CPS is exceeded.
 - v. If CPS believes that the Hirer will be unable to pay the hire monies.
 - vi. If CPS believes that their plant is/are an immediate target for theft.
 - vii. If CPS believes that the plant is to be or is likely to be used for unlawful purposes.
 - viii. If given 48 hours notice in writing by CPS by fax/post to the registered office/trading address of the Hirer.

23. Use of plant on the highway and responsibility for fines charges etc.

- a. It is the responsibility of the Hirer to advise CPS if the plant they wish to hire is to be used on the public highway. The Hirer must satisfy themselves that the plant is licence for the use on the road.
- b. The Hirer shall be solely responsible for and indemnify CPS against any fines levied, tolls charged or offenses committed whilst the plant is on hire to them. The Hirer hereby agrees that CPS may supply their name, address and telephone number to the authorities if requested to do so.
- c. The Hirer shall be responsible and indemnify CPS for any parking fines incurred by CPS drivers due to access problems on site. CPS reserves the right to pass on all such charges to the Hirer.

24. Notice of Termination of Hire

- a. When a fixed period of hire is agreed at the time of hire no notice of termination is necessary and the plant will be collected automatically (or the return of it expected). Should this period be extended so that the off-hire date is no longer agreed and it is therefore an “open” open period of hire the following shall then apply as an open period of hire:-
- b. Where the period of hire is determinate at the outset. i.e. it is an “open” hire (or having been fixed becomes indeterminate) the hire may only be determined by the Hirer giving 24 hours notice of off-hire to the CPS depot of hire except as in clauses 22c above and 24c below and confirming such in writing (preferably by fax) immediately. An off-hire reference from CPS and the name of the CPS employee accepting the off-hire shall be the only proof of off-hire in the event of any dispute.
- c. In respect of machines of over 22 tones in weight or over 3m in width which are notifiable loads if transport is provided by CPS, the notice required to off-hire is 72 working hours.
- d. Notice of termination by the Hirer to CPS operators/service engineers/delivery shall not be deemed to be acceptable as any notice of off-hire.
- e. If plant is not collected by CPS within 48 hours of the agreed time the Hirer shall advise CPS in writing (preferably by fax) of that fact.

25. Idle Time

- a. In respect of plant hire from CPS by the Hirer on a self-drive basis idle time shall not be allowed under any circumstances except in the case of complete theft damage to or loss of the plant as outlined in Clause 15.
- b. In respect of plant hire from CPS by the Hirer to include an operator supplied by CPS idle time will be allowed and charged at the current self drive hire rate in minimum units of one day chargeable at 1/5th of the weekly rate per day where the CPS Depot of hire is notified prior to the day in which idle time is required.
- c. If this notification is not received by at least the previous day or an operator attends the site for work the minimum of 8 hours will be charged at the contracted hire rate regardless of the hours worked (if any).

26. Fares and Travelling Time

CPS operators’ travelling time, daily fares and similar expenses will be chargeable to the Hirer at cost as/if agreed during the placement of the hire. NO charge shall be made for any CPS employee for the purpose of maintenance repair or servicing of plant save if this is necessary due to the Hirer’s misuse negligence or misdirection of the plant.

27. Consumables and Fuel Supplies

- a. All consumables such as oil, grease and fuel will be paid for by the Hirer on self-drive hires and is the responsibility of the Hirer to carry out the required daily checks and to supply the required consumables in any case. Fuelled supplied by CPS will be charged at the rate published in their current price list.
- b. When hired “Self-Drive” or “Operated fuelled by site” machines will be delivered/available for collection with a full tank of fuel. This will be charged for the first invoice. A credit for the fuel remaining in the plant will be issued at off-hire. Refuelling shall be the responsibility of the and not an operator supplied by CPS. No credit can be given at a later date for the supply of fuel by the Hirer to CPS to compensate for any fuel deficiency.
- c. Fuel will be charged by the litre and credits calculated on the percentage of a tank full recorded at the time of hire/off hire. Tank capacities are generally published in our Pocket Guide.

28. CPS Signs and/or Name Plates

- a. The Hirer shall not cover up or remove or deface in any way the signs, stickers, signwriting or nameplates of CPS nor shall they fix to the plant any signs, stickers nor paint in any way any part of the plant.
- b. The Hirer will be responsible for the cost of repairing any damage to CPS signs, stickers, signwriting or nameplates sustained during the hire period and any preparation work necessary to replace them.

29. Transport of Plant and Ancillary Items

- a. The Hirer will be responsible for payment for transport to and from their site or will be entitled to arrange and pay for their own transport if they wish.
- b. Transport carried out by CPS will be charged at the rates published in the current CPS price list or those otherwise agreed on each and every item of plant and for each and every on-hire and off-hire. These charges will apply regardless of where the machine is moved to, when off-hire (if anywhere) and regardless of where it comes from when originally hired.
- c. No discount in transport rate will be given regardless of the number of items of plant on a delivery vehicle as rates already take into account the size of each item of plant.
- d. Any road, bridge or tunnel toll incurred by CPS in the course of deliver/ collection will be charged to the customer in addition to normal transport charges.
- e. Where buckets, attachments, ancillary items or breakers are on hired or off-hired separately from the plant and have to be transported separately from the plant and have to be transported separately to or from site as a separate journey a charge for transport for each journey will be made by CPS to the Hirer.

- f. Where plant is driven to site under its own power by an CPS operator (i.e Backhoe Loader) CPS will charge the Hirer at the hourly hire rate as if the machine was working (Travelling as Working) from the time the plant leaves the CPS depot of supply until its arrival on site and vice versa on return. Where the total of operating hours plus travelling hours is less than or equal to eight hours the minimum daily charge of eight will apply. Where the total exceeds eight hours the total number of hours will be charged.

30. Charge of Ownership/Directorship and change of name.

- a. CPS reserves the right to continue or determine any contract at their sole discretion in the event of any charge of ownership/directorship of the Hirer. The Hirer is hereby bound to notify CPS of any such change in writing within 24 hours of such an occurrence during the period of hire or within 14 days if not during a period of hire.
The original Directors/Partners/Proprietors of the Hirer shall remain responsible for all future hires if they are unable to conclusively prove that CPS were notified in writing of such changes.
- b. The Hirer is hereby bound to advise CPS in writing within seven days of any change of name of the Hirers' company. Accounts are allocated to a company by Registered Number and any change of name shall not change responsibility of the company with the registered number for the debts hereafter. In the event of an un-notified "name swap" between companies both companies shall be liable jointly and severally for all debts. Any Guarantees signed on behalf of the initial account holder will remain in force and retain full liability.

31. Government Regulations

The Hirer shall be responsible for compliance with all Local and National Government regulations relating to the use of the plant including but not limited to all Health and Safety at Work Legislation, The Factories Act, Mines & Quarries Act, Road Traffic Act Legislation, Construction (Lifting Operations) Regulations 1961, Lifting Operations, Lifting Equipment Regulations 1998 and BS7121 safe use of cranes.

32. Protection of Rights of CPS

The plant shall remain the property of CPS at all times and the Hirer shall not sell, loan, pledge, mortgage, charge re-hire or part with the plant except in the case of accidental loss or damage referred to in clause 15. The Hire shall further protect the plant against seizure, distress or execution and shall indemnify CPS against all damage charges, costs, losses or expenses arising from failure to perform the requirements of this protection.

33. Payment Terms

- a. All accounts shall be paid within 30 days of invoice date or earlier if agreed by both parties.
- b. Punctual payment of hire charges shall be the essence of this Hire Agreement and the Hirer shall be deemed to have repudiated this Agreement if any part of shall remain unpaid for more than seven days after becoming due.
- c. Any accounts or invoices remaining unpaid outside of our credit terms shall be liable to an additional 2.5% per month compound contractual interest on the balance due or the rate current at the time of charging of interest prescribed under the late payment of Commercial Debts (interest) Act which ever is the greater, chargeable on a daily pro-rata basis.
- d. If any account remains outstanding after a period of 60 days from invoice date or any account is over its credit limit, or credit facilities have been withdrawn, this matter may be referred for debt collection action and reserve the right to pass the cost of any such service both internal and external including that of Solicitors both before and after the issue of court proceeding or other action under The insolvency Act 1986 (if any) on to the Hirer's account which amount will be due and payable immediately.
- e. Where the Hirer has a grievance for which he believes he is due a credit the undisputed sum whether part of an invoice or a number of invoices must be paid within standard credit terms. CPS accepts that part payment of an invoice in these circumstances shall not be considered proof that the entire invoice is accepted as payable by the Hirer. Interest will accrue on the undisputed sum if payment is not received to terms in accordance with Clause 32b. If the disputed sum is proved to be owing to CPS or id paid by the Hirer to CPS then CPS reserve the right to charge interest on this originally disputed sum as well. Interest will be charged at the rate shown in clause 32c above.
- f. If discount is negotiated from CPS list prices these discounts are conditional upon payment being made to CPS terms. CPS reserves the right to disallow such discounts where payment is overdue and invoice the discount amount which will be immediately payable.
- g. Where the Hirer is also a supplier to The CASEY Group and – Associated Companies, CPS reserves the right to deduct all monies outstanding due to any Group/Associated Company from purchase ledger payments to the Hirer from any Group/Associated Company.

34. Direct Debit Mandates

- a. As part of CPS Direct Debt Guarantee if an error is made by CPS or your Bank/Building Society you are guaranteed a full and immediate refund from your branch of the amount paid.
- b. Where we hold mandates, payments will be taken on the last working day of each month for the preceding months invoices unless otherwise agreed. In cases where the credit limit is exceeded payments on account may, at our discretion, be taken weekly but the Hirer will be advised in advance of amounts and dates.
- c. Some accounts are offered only provided a Direct Debt Mandate is completed. Additional credit is also occasionally offered to some account holders because we hold a signed mandate.
- d. CPS reserve the right to close an account or reduce a credit limit as it deems fit if a Direct Debt Mandate is cancelled rejected or unpaid. Should an account be closed for this reason all outstanding monies become due for immediate payment.

35. Additional for Statutory Taxation

CPS shall be entitled to charge additionally any statutory taxation to The Hirer. (For Example Value Added Tax).

36. Bank Holidays and Industry Holidays.

All Bank Holidays and Construction Holidays will be charged as normal hire days (Monday to Friday only) unless the Hirer notifies CPS depot of hire in writing giving SEVEN DAYS NOTICE of the day(s) that the site will be closed down. Full allowance against the hire will then be allowed subject to the following:

- a. If the Hirer wishes CPS to leave the plant on site over the holiday period the Hirer accepts full responsibility for and agrees to maintain full insurance cover on the plant at all times.
- b. If the Hirer wishes the plant to be removed from site over the holiday period the Hirer agrees to pay CPS the cost of transport to and from the nearest CPS secure depot
- c. The Hirer hereby agrees that should the plant be found to be working on any day during the pre-notified period the Hirer will pay the whole holiday period as working.
- d. The maximum allowance (in working days) for Bank/Industry holidays will be 1 DAY for each Bank Holiday 6 DAYS at Easter (to include the 2 Bank Holidays) and 10 DAYS at Christmas (to include the 3 Bank Holidays)
Should the customer request the plant to be left on site as in section (a) but CPS prefer to remove the plant to their depot for any reason CPS shall bear the cost of transport from site and back to site after the period of holiday.

37. Machine Hired with Breakers or Specialist Attachments

- a. All machines supplied with breakers (or special attachments) and buckets will be charged at breaker (or special attachment) rate irrespective of their use or otherwise until the breaker (or special attachment) is off-hired giving 24 hours notice and the breaker (or special attachment) returned to the CPS depot of supply. "Split rates" are not available under any circumstances.
- b. On machine hired with Hydraulic breakers, point wear which is "fair wear and tear" will be the responsibility of CPS. Broken points, excessive wear and damage will be chargeable to the Hirer (self drive hires only).
- c. On every hire the Hirer is responsible for supplying suitable lifting gear for all lifting operations. The Hirer is also responsible for carrying out all required daily and weekly statutory inspections of equipment (self drive hires only).

38. Fitting of Non-CPS Attachments

If the Hirer wishes to fit their own attachments or attachments hired by them from a company other than CPS to a CPS item of plant they must firstly obtain advanced written permission from a Director or Manager of CPS. If permission is granted the Hirer will become responsible for:

- a. Any damage howsoever caused to CPS plant due to the fitting removal or operation of the attachment.
- b. Any damage howsoever caused to the attachment.
- c. The cost of fitting, removal and making good any additions to the plant necessary for the operation of the attachment if carried out by CPS.
- d. Payment of the full hire rate for the plant during any modification fitting or removal of the attachment or any necessary repair.

39. Notification of Queries

- a. Any query regarding a CPS invoice must be taken up in writing (preferably by facsimile) within FOURTEEN DAYS of invoice date and addressed to CPS Head Office. Any query not notified in writing within this period will not be entertained.
- b. Any query regarding any Delivery ticket/Collection ticket/time Sheet or other documents/correspondence from CPS must be taken up in writing as above within seven days (or sooner if so stated). Any query not notified within this period will not be entertained.

40. Plant Working Close to Building or Structures etc

In general, plant should not be worked close up to buildings, structures, kerbs, cables, pipes, vehicles and the like. On hires where CPS have supplied the operator CPS drivers may upon instruction work close to such as the above CPS drivers will always operate using their best skill and endeavour not to cause damage but the cost of repair of any damage or the responsibility for any injury to the Hirer's employees or property CPS employees or property or any third party or its property howsoever caused will be the sole responsibility of the Hirer.

41. Internet Dangers of Plant and its Operation

- a. Ordering and/or accepting CPS plant on site implies that the Hirer is fully conversant with the item of plant or equipment and the dangers associated with it as well as its safe operation and storage. The Hirer hereby confirms that they will not allow any person who is not competent and fully trained to operate or use the plant. If the Hirer has any doubts in respect of the safety or other regulations governing the use of the plant or equipment they must immediately contact CPS for advice.
- b. The Hirer should be aware of The British Standard code of Practice for safe use of cranes BS7121 part 1 in respect of lifting operations and abide by its recommendations.
- c. If the Hirer has any doubt as to the capability of any CPS driver or has any reason to believe that all or any part of the plant or equipment hired may be defective or dangerous they must cease use of the item immediately and contact the Depot Manager at the depot of hire. Hire time chargeable at the contracted rate will be charged up to this time under all circumstances.

42. Cab Removal

Removal of cabs and/or any other safety or protective structural device can be carried out solely at the request of the Hirer where it is necessary for the environment in which the Hirer is working. By making such a request the Hirer accepts full responsibility for such removals and agrees that CPS shall not be held liable for any accident, incident, injury or damage that occurs due to such removal and the Hirer understands that the machine may now no longer comply with certain statutory legislation and accepts exclusive and full responsibility in this area.

43. Credit Limits

- a. CPS reserves the right to amend the Hirer's credit limit or close credit accounts at any time without explanation. Any change of credit limit of the closing/opening of accounts will be notified to the Hirer.
- b. if a credit limit is exceeded by the Hirer or payment terms not complied with the whole outstanding balance (not only the overdue amount) will become due for immediate payment.

44. Hire Rates

- a. All plant shall be hired out at CPS price list rate current at time of booking except as in (b) and (c) below.
- b. Special discounted rates may be agreed in advance for an agreed minimum term of hire. A confirmation letter of this hire rate agreement will usually be produced by CPS and must be signed by both parties to achieve this discount. This rate will apply for the one hire only and shall be conditional on the hire running for at least the agreed term and payment being made to terms CPS will guarantee to keep the hire rate fixed for the minimum hire period agreed. Should any of these criteria not be met CPS shall be entitled to charge the entire hire at the CPS price list rates current at the time of booking.
- c. A Partnership Agreement has been signed between the Hirer and CPS whereby specially agreed discounts are offered on all hires from the Hirer subject to agreed conditions.

45. Dishonoured Payments

CPS reserve the right to charge to the account of the Hirer and recover from them the bank charges and subsequent costs (both internal and external) incurred for any cheque returned or refused for payment and/or any standing order or direct debit unpaid refused or cancelled and/or any other type of payment (including Credit Card) under these circumstances the whole outstanding balance (not only the payment in question) will become due for immediate payment.

46. Variation of Hire Rates

CPS reserves the right to alter hire and other rates without notice except as in 44 (b) above.

47. Non-Credit Account Transactions

Transactions with any Hirer not having an approved credit account with CPS will only be accepted on the basis of payment with cleared funds to cover the expected hire and any transport plus one day's deposit (the latter in the case of self-drive hires only and refundable less any damages/shortages).

48. Weights and Measures

- a. All weights, measures, dimensions and digging depths etc. provided in CPS literature, electronic media and price lists are approximate and are provided only for the guidance of the Hirer and are subject to change without notice. No guarantee is offered regarding their accuracy.
- b. Hirers are reminded of their duty to comply with the Hydrocarbon Oil Duties Act 1979 with regard to the use of rebated (red) diesel. CPS will hold the Hirer fully liable for any penalties incurred.

49. Currency of Prices

All prices in CPS literature are quoted in pounds sterling and apply to hires in Mainland Britain only unless otherwise stated.

50. Internet and e-mail communications and e-commerce transactions

- a. Hirers may place orders direct from CPS website at www.casey.co.uk using an electronic order form system and/or e-commerce solutions as and when available. Hirers that hold an accredited account may use an "account order" form. Hirers paying by credit card must use a "credit card order" form. The provision of details by the Hirer by these methods shall not be considered an order until confirmed by CPS. Orders cannot be accepted in this way for any other payment method such as cheque or cash.
- b. Where correspondence/transactions are carried out by e-mail or e-commerce the electronic "signature" or e-mail "signature" shall constitute an authorised signature on behalf of either party and shall bind both parties to the hire contract.
- c. Although CPS and its e-commerce provider will take all reasonable steps to ensure security is of the highest order no warranty expressed or implied is given that e-commerce solutions that CPS offer are secure.
- d. CPS reserves the right to change without notice any item on its Web Site or literature.

51. Data Protection Act and Consumer Credit Licence

- a. CPS uses a number of credit reference agencies and other organisations to protect itself from fraud and bad credit risk as well as taking references from Trade Suppliers and Bankers where appropriate. By applying for an account with CPS the Hirer hereby agrees that CPS may access, store and use such information about their Company and/or Directors and/or Shareholders and/or Partners to allow CPS to decide whether to offer or continue to offer credit.

- b. Searches of information held by credit reference agencies, including the Electoral Register, may be carried out. This is done in order to assess the application (even if it does not proceed fully), prevent fraud and confirm identity. Searches are logged by the credit reference agencies and other parties who make searches in the future will be able to see this information.
- c. For its part CPS agrees that any information accessed as detailed in clause (a) above will be held solely for the purposes detailed in the said Act and that no time shall this information be impaired to a third party except to our legal representative and where we are required to by law. Use and storage of such data shall at all times be in conformity with the Act.
- d. CPS is registered under the Data Protection Act and holds a current Consumer Credit Licence. Details are available upon written request to the Financial Director at CPS Head Office.

52. Right to Communicate

- a. By applying to open an account with hiring form or requesting a quotation from CPS the Hirer hereby confers upon CPS the right to contact the Hirer by telephone, facsimile or e-mail to offer advice or additional services that CPS believe will be of interest to the Hirer.
- b. The Hirer has the right to opt out of any of the agreements in clause 52a above by writing to CPS stating which of the above they do not wish to receive. Letters should be addressed to: CASEY PLANT SERVICES LTD, Rydings Road, Rochdale OL12 9PS.
- c. CPS reserves the right to record any incoming or outgoing telephone conversation, for training, monitoring or other purpose.

53. The Contracts (Rights of Third Parties) Act 1999

The Contracts (Rights of Third Parties) Act 1999 shall not apply to any contracts or agreements entered into between CPS & The Hirer.

54. General

- a. If any provision in these conditions is held by any competent court of law to be invalid or unenforceable in whole or in part the validity of the other provisions of these conditions and the remainder of the provisions in question shall not be adversely affected thereby.
- b. CPS shall not be liable to the Hirer nor be deemed to be in breach of any of these conditions by reason of any delay in performing or failure to perform and obligation of these conditions due to any of the following causes which are beyond its control:
 - i. Act of God, explosion, flood, tempest, fire or accident.
 - ii. War or threat of war, sabotage, instruction, civil disturbance, or requisition or act of terrorism.
 - iii. Acts, restrictions, bye-laws, regulations, prohibitions or measures of any kind on the part of any governmental parliamentary or local authority.
 - iv. Strikes, lock-outs or other trade disputes.
 - v. Difficulties in obtaining new plant, labour, fuel, spare parts or machinery.
 - vi. Power failure or breakdown in machinery.
- c. Whilst CPS will at all times endeavour to deliver and/or collect plant at the times requested by the Hirer delivery and/or collection times shall not be of the essence on any hire.
- d. This contract shall be governed by the laws of England and is subject to the jurisdiction of the English Courts.
- e. Notwithstanding anything to the contrary in the absence of any specific condition English common law applies.
- f. CPS shall be entitled at any time and from time to time to vary or replace the terms and conditions and exceptions herein contained without notice.
- g. To enable to offer constant improvements in our customer service and to ensure accuracy by verifying instructions where necessary CPS may monitor and/or record telephone calls.

55. Valid From

These Terms and Conditions of Hire are valid from Jan 2012 and supersede all previous Terms and Conditions of Hire.

The group has accomplished great things
through the commitment of great people.

If we each continue to be the best we can,
together we will achieve even greater things in the
future.

Chris Casey
